

Diamond Cups for Hilti DG-150 Grinder

High Quality OEM replacements with 19mm arbor

STA-15109 – 100 Grit Fine – Aggressive Grinding in Medium to Hard Concrete

Use when a tool free finish is required on concrete, excellent for grinding and sacking

STA-15108 - 30 / 40 Grit Coarse – Aggressive Grinding in Medium to Hard Concrete

Use for VERY fast removal rates of concrete and light coatings

STA-15107 – 30/40 Coarse – Aggressive Grinding of Thin Coatings and Sealers

Short Spike Segments provide more edges to break up stubborn coatings on concrete
